Palmetto Academy of Learning and Success (PALS) is a public charter school serving students in kindergarten through eighth grade. Our mission at PALS is to create a small, diverse learning environment that accommodates each student's individual differences, learning styles, and development while promoting high expectations for all students. By providing meaningful and innovative learning experiences, instruction for multiple learning styles, access to technology, and encouraging family and community involvement, Palmetto Academy of Learning and Success is committed to guiding students in the development of both their character and academic potential in preparation for their success as life long learners.

PALS currently serves 18 students per class and one class per grade level. This small, diverse learning environment attracts families seeking academically rigorous curriculum and whole-child development. Palmetto Academy of Learning and Success content standards for student performance encompasses a comprehensive scope and sequence. The standards of learning for each academic area set reasonable goals and expectations for what teachers need to teach and students need to learn. To ensure we are meeting or exceeding local schools, Palmetto Academy of Learning and Success students will achieve in each subject area at each grade level those standards that have been identified by the State Board of Education as being most important for proficiency. In accordance with the SC Education Accountability Act of 1998, the State Academics Standards will provide the basis for curriculum design decisions and statewide assessments.
